BobM593@gmail.com - 760-519-7730

31 January 2010

Hello Mike,

I've reviewed the Bonefish Base Constitution and Bylaws you submitted for my approval. While the wording and arrangement of the Bonefish docs are dissimilar from the National docs they are in no way "in conflict" with the intent and purpose of the requirements of the National docs.

I therefore have approved your docs and am returning your original documents with my approval signature to you for your official Base records. I'm sending a copy to the Western Region Director to keep him informed and for his records also.

Congratulations to you for the great job you are doing in running the Bonefish Base and in promoting the Creed of United States Submarine Veterans Inc.

Take care,

A handwritten signature in cursive script that reads "Robert J. Miller". The signature is written in black ink and is positioned below the "Take care," text.

CC: Jim Dunn, Western Region Director
