

USSVI BONEFISH BASE

(SS-223) and (SS-582)

Redlands California

June 22, 2019

OUR CREED:

Our organization's purpose is "To perpetuate the memory of our shipmates who gave their lives in the pursuit of their duties while serving their country. That their dedication, deeds and supreme sacrifice be a constant source of motivation toward greater accomplishments. Pledge loyalty and patriotism to the United States of America and its Constitution.

In addition to perpetuating the memory of departed shipmates, we shall provide a way for all Submariners to gather for the mutual benefit and enjoyment. Our common heritage as Submariners shall be strengthened by camaraderie. We support a strong U.S. Submarine Force.

The organization will engage in various projects and deeds that will bring about the perpetual remembrance of those shipmates who have given the supreme sacrifice. The organization will also endeavor to educate all third parties it comes in contact with about the services our submarine brothers performed and how their sacrifices made possible the freedom and lifestyle we enjoy today."

1200 Hours:

At the sound of the klaxon, Commander Daryl Brock convened the meeting of the Bonefish Base. George Riolo, Dan Rowland, and Karl Waterman read our creed. Mike Williamson was asked to lead members present in the Pledge of Allegiance. Chaplain Don Noyes gave the opening prayer.

Tolling of the Boats:

The following boats were lost during the month of June:

USS Herring (SS-233)

Lost on June 1, 1944 with the loss of 83 men near Matsuwa Island. Herring was on her 8th war patrol and was conducting a surface attack when a shore battery spotted her and made 2 direct hits on her conning tower and causing her loss. Before being sunk, she had sunk a freighter and a passenger-cargoman. Herring was the only US submarine sunk by a land battery.

USS R-12 (SS-89)

Lost on June 12, 1943 with the loss of 42 men near Key West, Florida during a practice torpedo approach. The cause was probably due to flooding through a torpedo tube. The CO and 2 other men on the bridge survived as did 18 crew members on liberty at the time of the accident.

USS Golet (SS-361)

Lost on June 14, 1944 with the loss of 82 men. On her 2nd war patrol, Golet was apparently lost in battle with antisubmarine forces north of Honshu

USS Bonefish (SS-223)

Lost on June 19, 1945 with the loss of 85 men when sunk near Suzu Misaki. Winner of 3 Navy Unit Citations, Bonefish was on her 8th war patrol. After sinking a passenger-cargoman, Bonefish was subjected to a savage depth charge attack.

USS S-27 (SS-132)

Lost on June 19, 1942 when it grounded off Amchitka Island. She was on the surface in poor visibility, charging batteries and drifted into the shoals. When she could not be freed and started listing, the captain got the entire crew to shore (400 yards away) in relays using a 3-man raft. The entire crew was subsequently rescued.

USS O-9 (SS-70)

Lost on June 20, 1941 with loss of 34 men when it foundered off Isle of Shoals, 15 miles from Portsmouth, NH.

USS Runner (SS 275)

Lost between June 26 and July 4th with the loss of 78 men. Runner was on her 3rd war patrol probably due to a mine. Prior to her loss, she reported sinking a freighter and a passenger-cargoman off the Kuriles. This boat's last known ship sunk happened on June 26th, so she probably hit that mine on or after that date but before July 4th when she was scheduled back at Midway.
