

Good morning shipmates,

We will not be having a meeting on July 28. There has been an unexpected mixup in our normal meeting place, and since we cannot find another location our July meeting is cancelled. We will be meeting in August at our regular place and time. I hope to see you then.

The eBoard will be discussing dealing with the Seawolf float, since we have not been able to find storage for it. If you have any ideas or suggestions, please contact one of the eBoard members. The Dolphin Base in San Jose has expressed an interest in acquiring it. While it would be wonderful to keep and use, I believe our first choice is to keep it within the Sub Vet community if at all possible.

July 4th Huntington Beach Parade was a truly remarkable event. Thanks to LA/Pasadena Base for allowing us to participate with them. Submariners were well represented, and had an impact throughout the entire parade route. If you were able to watch TV coverage, even the announcers were most supportive. I think everyone there felt like it was one of the most rewarding parades we have attended.

2018 USSVI National Convention (Cruise), www.ussvicruise.com or call 877-802-6894

The rest of our activities will be on the calendar on our website.

If you have a lead or an idea for a speaker or program, please let me or any eBoard member know so that we can schedule it

Thank you for your support.

Daryl Brock
