

Good morning shipmates,

We have a very busy weekend coming up. This will be the last presentation of our floats for this year. Please plan on attending and supporting the base as we make people aware of what the Submarine Service has accomplished. Both floats will be on display at each event.

November 10, 8am-4pm: Flabob Airport Honors Veterans

If you wish to come early and help set up, SOS breakfast will be available near where we are. Although it is all day, feel free to come as you can. The earlier you get there the easier it will be to find parking. Attending this event is what enables us to store the Bonefish float at the airport for free.

November 11, 7:30-noon: Redlands Veterans Day Parade

Staging starts at 7:30, in front of Redlands High School on Citrus Avenue, with the parade starting at 9AM. We should be through long before noon. If you are not up to walking, chairs will be on the Bonefish float so you can ride the entire route. We are not sure where parking is located, but if you park near staging we can get you back to your car from the end of the parade.

Our last meeting of the year will be on December 8, at Zacatecas for our Holiday Party. Good food, silent auction, much visiting, and more. The meeting will start at the normal time. I hope to see you at all of these activities. If you have any questions, feel free to contact me or any eBoard member.

If you have a lead or an idea for a speaker or program, please let me or any eBoard member know so that we can schedule it
